HVAC SOLUTIONS

Store Kit

The quick & easy way to upgrade the look of your store!

The end-cap display fits standard 3' Lozier™ shelving, and is designed for use with upper end-cap placards and LED Light Box for showcasing backlit duratrans (included in the kit).

Kit elements are constructed of aluminum and steel extrusion with perforations and powder-coated painted materials.

Perimeter and gondola placards and signs have a magnetic backing for easy hanging and display flexibility.

STORE KIT INCLUDES:

Quantity:

• End-Cap Display	2
• Placards for upper End-Cap	2
• LED Light Box (w/ hardware) for End-Cap	2
• Back-Lit Duratrans	4
• Perimeter Sign Panels	20
• Placards for Perimeter Sign Panels (A variety of key product brands included)	20
• Gondola Panels w/ legs	12
• Placards for Gondola (A variety of product categories included)	24
• Bar Stools - 30" w/ custom padded seat	2
